children's restoration network

*Restoring Life's Possibilities to Metro Atlanta's
Homeless Children and Mothers Since 1993*

Mission: To offer hope and support, enabling children and their mothers to break the cycle of homelessness by empowering them to become part of mainstream society as active, productive citizens.

Vision: To continually seek to enhance its ability to offer significant resources to homeless children and mothers and make a demonstrable difference in their lives by creating strong partnerships and attaining financial stability.

History of CRN

Children's Restoration Network (CRN) was founded in 1993 by Jim Cox (President) and Cliff Kinsey (CEO). They recognized a growing problem facing metro Atlanta: *lack of needed services for the ever increasing number of children, and women with children, who were becoming homeless.*

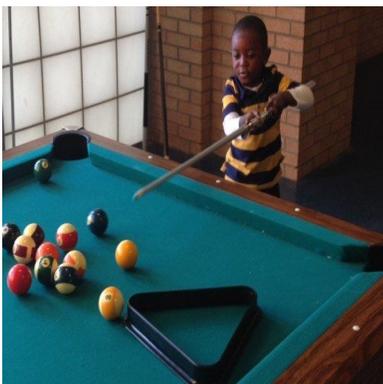

For years public awareness was focused on the poorly-dressed man on the corner who would work for food. With increased relocations away from hometowns and the breaking down of traditional families, children and women with children have become the fastest growing segment of the homeless population, and few agencies addressed their needs. With this in mind, CRN began working in 1993 with one Atlanta shelter that housed women and children. Each year we have added to the number of children and mothers we serve.

Today CRN works with 134 shelters and group homes in 20 counties around metro Atlanta, housing over 2,700 children each night and over 4,000 children each year. Beginning with simple tasks such as preparing home-cooked meals on Sundays, painting and brightening dreary community shelters, and providing warm winter clothing to mothers and children in need, CRN has developed a wide array of programs and special events designed to alleviate the trauma and despair of being homeless.

Harrison Ford's Young Eagles Program

From the beginning, CRN has recognized the value of its cherished volunteers. Growing from a few dedicated people in 1993 to over 6,000 people who volunteered with CRN in 2012, CRN recognizes that without this "life-blood" we could not hope to successfully fulfill our mission.

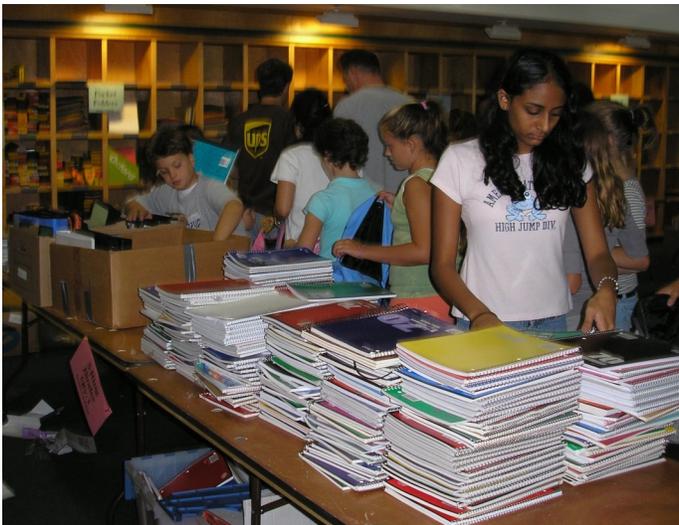

In this report we will highlight the programs and special events that CRN has developed to assist homeless children and mothers throughout metro Atlanta. From a bountiful Thanksgiving meal, to new presents during the Holidays, from an exciting social outing, to an evening of tutoring, from a child's first bookbag to a scholarship that helps them graduate from college, we make life easier for homeless children and mothers.

These programs help the homeless to ***“Keep hope alive!”*** Since the beginning CRN has worked hard to ensure that a great percentage of donations go directly to the children and mothers we serve. **In 2012, once again over 92% of donations to CRN went directly into programs.**

In its 20 year history, CRN has now touched the lives of over 48,500 homeless children and 13,000 adult women. CRN endeavors to provide ever increasing and more effective programs that positively affect the lives of some of metro Atlanta's neediest children and mothers.

Children's Restoration Network: A Helping Hand To The Homeless!

Homelessness in metro Atlanta

With the poor economy of the last several years CRN has seen a sharp spike in the number of children, and women with children, who have been forced to seek accommodations in shelters and group homes. According to the Metro Atlanta Task Force for the Homeless, more children in Metro Atlanta live in poverty than any other American city. The Task Force estimates that as many as 20,000 people are homeless in Metro Atlanta on any given day. Over 8,000 are children under the age of 18.

Please, don't just look away

Children who are homeless are more likely to:

- ◆ Fall behind in school
- ◆ Suffer physical illness and malnutrition
- ◆ Suffer from physical or sexual abuse
- ◆ Develop low self esteem
- ◆ Develop psychological problems
- ◆ Enter the Juvenile Justice system
- ◆ Lack regular medical attention
- ◆ Suffer developmental delays & have learning disabilities

Home, sweet home?

A car, an abandoned building, woods, and back alleys are the unheated, un-air-conditioned, unsafe homes for many thousands of women and children each year. Although still homeless, the people we serve have taken the first step back to a normal existence. They have found temporary respite in a shelter or group home. In 2012, the 134 shelters and group homes served by CRN housed over 2,700 children each night and over 4,000 for the year.

This child is not on a picnic

Children's Restoration Network is relentless in striving to alleviate the suffering and despair that homeless children and their mothers face every day.

L.E.A.P.: Career Preparation Workshop 2012

While CRN's focus is on children, we understand that the best thing for a homeless child who is with their mother is for the mother to have a job. With this in mind we created our L.E.A.P. program which stands for Leadership, Employment, Achievement, and Prosperity.

The Atlanta Mission's, "My Sister's House" hosted the workshops in 2012. During the year CRN held 20 workshops and 244 women attended the program. The purpose of the workshops is to prepare women to go back to work or to improve their employment opportunities. Since we began keeping track, over one third of the women who attended a workshop found employment within three months.

Activities at the workshop include:

- ◆ Creating or updating resumes so they are as professional-looking as possible
- ◆ Improving the women's interview skills
- ◆ Setting up free email accounts so the women can communicate with prospective employers
- ◆ Gather all the information needed to properly fill out a job application
- ◆ Discussing how best to explain gaps in work history and what to do if one has an arrest record

These workshops are held on the 2nd and 4th Saturdays of the month, and last from 8am till noon. Volunteers are always needed to help with either interview skills or resume creation. Contact Ben Minor at 770 649-7117 if you are interested in helping.

At the end of the day the women leave with a flash drive with their resume on it, several hard copies of the resume, with increased knowledge of how to obtain and retain a job, and with a more optimistic view of their own and their children's future.

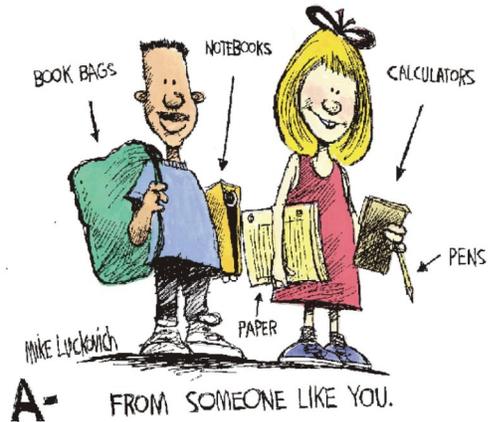

HeadSmart: Back 2 School 2012

CRN believes that education is the key to breaking the cycle of homelessness

CRN held its 18th annual Back 2 School event on August 7th at “My Sister’s House” in downtown Atlanta. This was the day before school started in most metro-Atlanta counties. The purpose of the event is to ensure that all the children we serve are prepared to go back to school:

- ◆ Dental checkups from Colgate-Palmolive’s mobile dental unit
- ◆ Georgia State Health and Wellness Collaborative provide health and vision and hearing screenings
- ◆ Barbers and beauticians provide haircuts so the kids will look sharp that first day of school
- ◆ 1,346 book bags distributed to children in attendance
- ◆ 1,683 book bags distributed to children not in attendance
- ◆ *A special thanks to WSB-TV, Northside Hospital,*
- ◆ *SCANA Energy and Kroger for their ongoing support!!*

Q- WHERE DO HOMELESS KIDS GET NEW BACK-TO-SCHOOL SUPPLIES?

This day is dedicated to preparing children for the new school year, but it is also a stress-free day of fun filled with karaoke, face painting, beading and of course our always extravagant Barbecue Buffet. The highlight of the event comes at the end of the day when new book bags filled to the brim with new school supplies are handed out to each child. These book bags not only carry paper and pencils, they carry confidence and a chance for a better future. Thanks to all who participated in this year’s event and helped over 3,000 homeless children go back to school prepared to hit the books.

HeadSmart: Project One on One

Education: the key to a child's future.

Many a child that has been abandoned, abused or neglected live with almost a fantasy of their future; he will be the next LeBron James, she will be the next Beyonce, he will be the next Tom Brady, she will be the next Taylor Swift. While we don't want to crush the dreams of these children, we need to make them understand the need for a "Plan B", if "Plan A" doesn't materialize. And a good education is the best way to ensure economic freedom and a comfortable lifestyle.

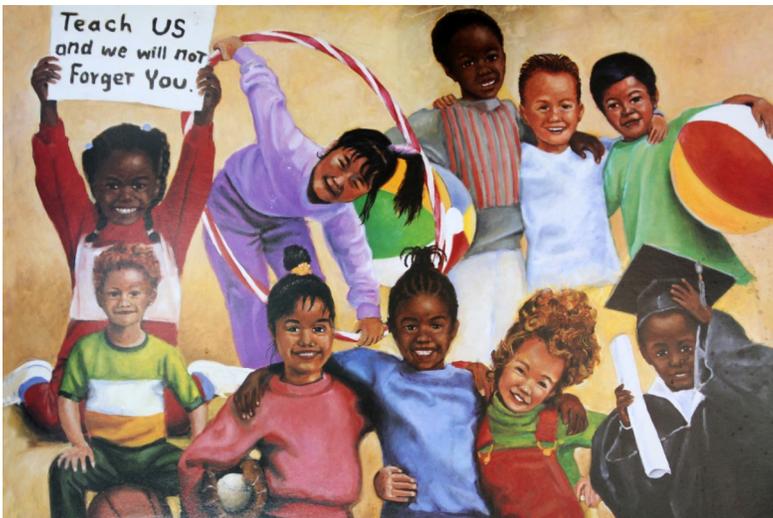

Project One on One is an academic mentoring program that ideally matches a caring adult with a child for the school year. They meet one and a half hours a week and work on homework, projects, or remedial math or English skills. We endeavor to make the kids understand that learning is important and can be fun. Improving social skills and interaction is also an important aspect of the project. Too many of these children have never had a positive role model, especially from one individual whose attention is directed solely on him or her. Attending basketball or baseball games, trips to the Zoo, Fernbank or the High are also an important part of the project, helping mentor and student bond, and increasing mutual trust and respect.

In 2012 CRN had programs in Carroll, Cherokee, Clayton, Cobb, Douglas, DeKalb, Fulton, and Gwinnett counties. Our mentor pool was over 150 by year end, and approximately 325 children were mentored.

HeadSmart: New Hope Scholarship 2012

Understanding that a good education is vital in today's world, and that for most of the best jobs a college education is needed, CRN created the New Hope Scholarship in 2005.

New Hope Scholarships are reserved for deserving, hard working, promising seniors, or past scholarship winners from a shelter or group home who do not qualify for Georgia's Hope Scholarship. Many children from shelters or group homes are good, intelligent, hard working kids. The realities of their lives though make it very difficult for them to maintain a B average. Many of these children move frequently, changing schools often, with too little personal attention from caring adults. Many of the homes lack enough computers or have only limited Internet access. These kids face an uphill battle attempting to achieve academic success. Scholarships are awarded on the basis of a personal letter from the child explaining why he should be chosen, a recommendation from a teacher or shelter staff, their high school records and extra-curricular activities, and a personal interview. The current scholarships are funded by The Celebrate the Children's ball in July and foundations, concerned individuals, businesses, and churches. The scholarships can be used either for college or technical school.

This program has proved very popular and we hope to award an ever increasing number of life-enriching scholarships each year: Since 2005 we have awarded 78 and increased the baseline from \$2,000 to \$3,000. ***YOU or your company could change a child's life forever. Please give us a call if you would like to sponsor a New Hope Scholarship.***

To many homeless children, CRN is one of the few islands of stability in a sea of chaos.

Special thanks to Osiason Educational Foundation, Country Club of the South Charity Guild, Georgia Compassion Project, Kimberly-Clark, and the Robert & Polly Dunn Foundation!

Thanksgiving Food Drive 2012

Thanksgiving has to be at or near the top of everybody's favorite holiday. This is one holiday that unites everyone. A day to reflect on what we are thankful for; family, friends, our jobs, our country, and to share in the bounty our country provides. Unfortunately there are always some people whom Fate is not smiling upon such as children and women with children who find themselves living in a shelter or group home. But even these people can be thankful for an excellent Thanksgiving meal.

In 2012, CRN enlisted dozens of companies, churches, schools, and clubs to hold food drives and the results were awesome. Even in a year with many families enduring hard times the generosity of our community was overwhelming. At the end of the drive, the food was all brought together the weekend before Thanksgiving. Over the weekend 382 volunteers helped sort the food and then allocate the food according to how many residents each shelter or group home provided for. The spirit of Thanksgiving and thankfulness was obvious to the volunteers and the people who received the food.

Special thanks to AJC International who donated over 30,000 pounds of turkey and chicken! And Nationwide for financial support

On Thanksgiving Day, 166 CRN volunteers helped cook and serve wonderful Thanksgiving dinners at 16 large shelters and group homes around metro Atlanta. CRN also provided the Thanksgiving food for other shelters and group homes. Over 3,300 children and mothers were served. The food was in such great abundance it also filled the pantries of these organizations with canned goods and non-perishable items to ensure they were well-stocked for the Holiday Season.

12 DAYS OF CARING 2012

The 12 Days of Caring is always a wonderful way to end the year! The people of metro Atlanta stepped up once again to ensure that children living in shelters and group homes had an enjoyable and memorable Holiday Season.

Over 12,000 gifts for 1,786 kids living in shelters or group homes, were donated, wrapped, personalized, and delivered in 20 counties around metro Atlanta. In addition, over 8,000 other gifts were given to agencies serving over 3,000 under-privileged kids. These totals do not reflect the children who were “adopted” in CRN’s Adopt a Shelter program, so the twin campaigns were incredibly successful!

Almost 1,100 volunteers helped during the campaign buying gifts, sorting, wrapping, delivering gifts and having parties with the kids. This event has truly become a family tradition for many families in metro Atlanta. We have some volunteers who have actually attended all 18 Wrap Parties.

We want to thank our partners, Northside Hospitals and School Box Stores for serving as collection sites for the public to drop off **NEW** toys, gifts, and clothing. Over the last few years Northside Hospitals have played a tremendous role in the success of CRN campaigns.

We also wish to thank Siemens for 50 new bikes and a mountain of new toys and AJC International which donated 30,000 lbs of turkey and chicken for a great Christmas Dinner and to stock shelter pantries for the months ahead.

It would be hard to think of a more wonderful way to close out 2012!!

Adopt-A-Shelter 2012

How you can touch the life of a homeless child.

Our Adopt a Shelter program is designed to match a group, a church, a business, or neighborhood, with a specific shelter or group home. The group receives the specific wishes and clothing sizes of anywhere between 6 kids to 100 and does their best to fulfill their needs. Although this program is strongly centered on the Christmas campaign, it has grown to include our Back 2 School programs also. This Christmas 1,050 kids were “adopted”. Many of the groups, especially at Christmas, deliver the gifts and have parties with the kids. It’s a chance to meet with the kids, and help give volunteers’ kids an idea of just how lucky they are.

If your company, club, family, church, or an individual is interested in this program please contact CRN.

2012 Celebrate the Children

CRN's 2012 "Celebrate the Children Gala" was as close to perfect as CRN gets. The Gala was held on July 24th at the Loew's Atlanta Hotel and over 450 people attended. All the women were dazzling and beautiful in their glittering jewelry and elegant dresses. The men were all strong, tall, handsome and masculine in their well-tailored tuxedos. The smiles and laughter and friendly banter made it clear that all were having a really excellent time. The Loew's staff was courteous and efficient, and the food was four-star fare. The dedication and hard work of the Gala committee, other volunteers along with the generosity of underwriters, sponsors, auction donors and attendees were exceptional. Gross revenue from table sponsors, auction bids, ticket sales, and raffle exceeded \$150,000. It was evident that the attendees were certainly there to "Celebrate the Children."

The Ballroom was beautifully decorated with exquisite flower arrangements on the tables. Jazz pianist, Tom Olsen, and violinist Eric Ridenour entertained guests during the pre-dinner hour. After dinner Emanuel May, CRN's fourth New Hope Scholarship graduate gave a heartfelt and moving speech on how the scholarship had changed his life and opened many doors for him. The Glow Band was the main entertainment of the evening and they were especially energetic that night, keeping the dance floor filled all evening. It was truly a night to remember!

Mark your calendars! Next year's Gala has already been scheduled for July 27st, 2013 at the Loews Atlanta Hotel

Financial Supporters 2012

The Georgia Compassion Project. We want to thank Tim and Amber Vojta for becoming the major donor to CRN's New Hope Scholarship Program. Their \$51,000 gift will ensure that there are more college graduates emerging from the ranks of Metro Atlanta's homeless children.

Country Club of the South Charity Guild. For the fourth year in a row the Charity Guild has selected CRN as one of the non-profits that it supports. Their \$22,000 grant will allow us to maintain and to continue to grow our Project One on One academic mentoring program.

The Robert & Polly Dunn Foundation. This Foundation has been one of our most consistent supporters over the years. As they believe education is so important today, they have long supported Project One on One and New Hope Scholarships. Their \$30,000 gift is greatly appreciated.

Osiason Educational Foundation. Steve and Margie Osheroff have played a huge role over the last 6 years at CRN. They are a huge part of the Celebrate the Children committee, and great supporters of the New Hope Scholarship program. Their \$13,000 gift changes young students' lives.

Publix Supermarkets. For the last six years Publix has sold Santa Dollars during November and December to support our New Hope Scholarships. In 2012 they raised \$7,624 dollars. Thank you.

Janet & Ralph Smith. The Smiths have been friends of CRN for more than a decade. Their steady financial support has been most welcome. They obviously support CRN's activities and have given CRN advice and encouragement in times of difficulty.

Miriam & Jan Spencer. For the past four years or so, this dynamic couple has had a major impact on CRN. Miriam has become a great facilitator at events and is an integral part of our Gala committee, Jan's term as Board Chair ended in 2012, and their family has been very generous to CRN financially.

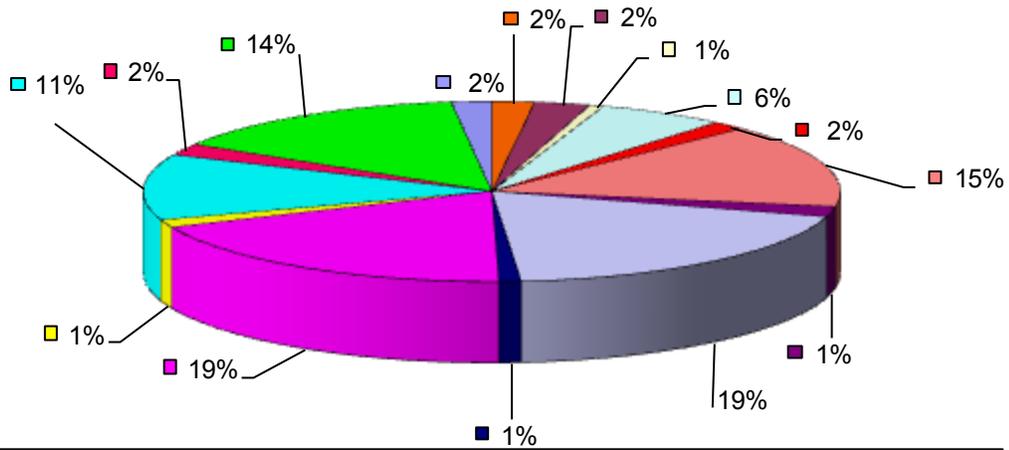

Community Foundation of Atlanta. We welcome a relatively new supporter in the Community Foundation. Their \$10,000 grant will help ensure our programs continue and grow.

AJC International. This company has been a CRN supporter for many years. Aside from their financial support of over \$15,000, they have also provided over \$100,000 worth of food that CRN has delivered to many shelters and group homes.

We also want to thank: Aaron's Inc, BJ's Charitable Foundation, Thomas Fuller, Gem Shopping Network, iHealth Technologies, Impact Exteriors, Kroger Company Foundation, Lincoln Financial Foundation, LM Aero Club, McMaster-Carr Supply Company, NCR, Nationwide Foundation, Siemens, Caring Hands Foundation, Sybase Inc., Thomas P.
